U. S. PAINT is not a cheap substitute for White Lead, but a mixture of Carbonate of Lead and Zinc combined with pure Linseed Oil on such a scientific principle as to produce a Paint that will resist the action of the elements and furnish a more durable coating than is possible to attain with Paint combined by the old style of mixing by hand. Full weight; full measure; every gallon guaranteed. One gallon will cover 300 square feet two coats. Measure Up Your House!
